That's funny. I was in Cleveland months ago and a friend brought me to Barrio. In my head the entire time I'm going "This place is a blatant copy of Condado. Ha"

Going into a Condado in Columbus, I definitely thought it was some kind of Barrio spin-off. and someone told me the co-founder was from Barrio...so I did think they were related.

guess not...anymore

The lawsuit alleges that Joe Kahn and others behind Condado Tacos stole trade secrets and violated an agreement Kahn entered into when he left the business partnership that created Barrio. [trib.al/TdAzTo7](http://trib.al/TdAzTo7)
